FLOOD RELIEF EFFORTS CONTINUE

In the wake of devastating flooding in south Louisiana, Catholics and Knights of Columbus, along with all peoples of good will and faiths, have heeded the call to help. Councils throughout the state have worked to raise money, help evacuate, feed, clean and will eventually, rebuild. SPX parishioners have donated over \$3,500 to date, plus much needed supplies, and of course, their prayers. We thank ALL who have contributed.

KNIGHT AND FAMILY OF THE YEAR

At the August social, John Vaughn was announced as the Knight of the Year. And Brian Richard, with Erin LeBrocq and

Cheyenne at his side, were awarded KC Family of the Year. We thank them all for their dedication and contributions which have benefited all at SPX. Photos on the SPX website.
