

Diocesan Census Form Announcement (Dec, 2021)

To St. Clement and St. Piux X Parishioners:

Bishop Malone has asked that **EVERY** parishioner in **EVERY** parish to fill out an *I Know My Sheep* census form. St. Pius & St. Clement will be conducting this *I Know My Sheep* census program for the next several weeks. Bishop Malone has asked that we complete this census program for the very simple and important reasons for the Diocese of Shreveport to update our contact information for the families registered in our parishes and getting the information for families that have not registered.

Bishop Malone wants us to know that if we have learned anything from the pandemic, it is that much of the contact information we have is out of date or woefully incomplete - especially not having cell phone numbers and emails. By providing updated information we'll have a better idea of our membership and will continue to deepen our relationship as a parish family. We are asking **EVERY** family to fill out a card to help us achieve our goal of 100% data updates.

You will find the *I Know My Sheep* census card in the pews and around the church. Fill it out and return it by dropping the census card in the Collection, mailing it to the parish office or bringing to the office.

Please take a few minutes and complete the form. It's incredibly helpful to our parish - in the work we do and the community we are striving to be. Thank you.

Sincerely in Christ,
Fr. Joe Martina
Pastor
